

#StrongerTogether 2020

Participate in Giving Tuesday Support St. Theresa of Avila School The Giving Tuesday Grade Level Challenge

This year, as part of our #StrongerTogether 2020 Campaign, we are asking all families to make a gift of \$10 or more to the Fund for STA.

We will be tracking grade level participation for all gifts received before midnight on Giving Tuesday, December 1.

The grade levels with the highest participation percentage will receive a special reward.

All donations will support the Fund for STA. Your support is critical this year as the Fund for STA has helped us equip and maintain classrooms with updated technology for in-person and virtual learning and cover additional expenses to keep our school open and safe.

Thank you for supporting our school!

If you want to do more with your gift, please share our posts on social media and tell people you support STA during this challenging year!
